

**Advanced Grid  
Research**

OFFICE OF ELECTRICITY  
US DEPARTMENT OF ENERGY

## ***Northeast Regional Workshop***

The Westin Boston Waterfront  
425 Summer Street, Boston, MA 02210

**Thursday, February 20, 2020**

*12:00 pm – 4:00 pm*

**12:00 pm**    **Registration and Lunch**

**12:30 pm**    **Welcome & Introductions**

*Eric Lightner, U.S. Department of Energy Office of Electricity*

*Sonja Berdahl, National Renewable Energy Laboratory (NREL)*

*The format of this workshop includes short presentations followed by a peer-to-peer discussion.*

**1:00 pm**    **Demonstrating Microgrid Benefits and Capabilities to State Commissions**

*Juan Rodriguez, Principal Project Manager at ComEd for Bronzeville Microgrid, ComEd, Chicago*

Commonwealth Edison's Bronzeville Community Microgrid will be one of the first "utility-scale" microgrids clusters in the nation.

**2:00 pm**    **The Philadelphia Navy Yard**

*George Sey, Manager | DER Integration, Medium-Voltage Services, & Meter Engineering, PECO*

PECO has a unique and beneficial relationship with the industrial/commercial customer owners of a microgrid that sprang from the former Philadelphia Navy Yard.

**3:00 pm**    **Third-Party Partnerships**

*Kevin Bishop, Senior Specialist, Con Edison, NY*

Con Edison's customers are using existing tariff structures to establish microgrids: The challenges and opportunities that this presents for both the customer and utility.

**3:50 pm**    **Closing Remarks**

**4:00 pm**    **Adjourn**
